EN

WC Calc Disposable - 40 pads - 100 x 62 mm - WHITE

GENERAL

White disposable cleaning pads for the easy removal of limescale without the use of chemicals.
- Suitable for removing stubborn limescale from scratch-resistant surfaces.
- Ideal for toilet bowls.
- Particularly suitable for environments with strict hygiene requirements, such as hospitals and healthcare facilities.
- Designed for use for a maximum of one day. Always dispose of the pad at the end of the day.
- In environments with strict hygiene requirements, dispose of the pad immediately after cleaning a single toilet or room to reduce the risk of cross-contamination and the spread of bacteria.
